TERMS + CONDITIONS

Order Information

All prices shown in this price book are list prices in US Dollars. Prices are subject to change without notice. The customer's purchase order must include complete information or order will be held from production until all information is provided. The customer bears sole responsibility for order correctness. Orders are subject to Knú, LLC's terms and conditions, regardless of the terms and conditions set forth on the buyer's/customer's purchase order forms. All customer orders must receive credit approval before the order can be entered into production.

Mail, Fax, or E-mail Purchase Orders To

Knú, LLC | DBA / La-Z-Boy Contract Furniture & Knú Contract
P.O. Box 9, Ferdinand, IN 47532
Phone: 812.367.2068 | Fax: 812.367.2493
E-mail: customerservice@getknu.com

Payment Terms

Terms are NET 30 days from shipment. If an invoice is not paid in full, within the terms, a monthly finance charge will be assessed at a rate of 1.5% per month or the highest amount permitted by applicable state law. The customer will be liable for any collection and/or attorney fees incurred in the collection of past due accounts.

Selling Information

Distribution of this price list does not in itself constitute an offer to sell. Orders may only be placed by customers authorized by Knú, LLC management.

Order Acknowledgment

The customer will receive an order acknowledgement by e-mail or fax. Upon receipt of this acknowledgement it is the customer's responsibility to check the accuracy of the order and notify customer service of any errors. Once an order is acknowledged, Knú, LLC will be responsible for shipping exactly the items acknowledged at the prices acknowledged. No changes may be made once an order has been placed into production. The order will be shipped upon completion of production. Every effort will be made to ship orders within the acknowledged ship dates. Acknowledged ship dates, however, are contingent upon conditions beyond our control. We cannot make promises for delivery dates as service by transportation companies varies from destination to destination.

Order Cancellations

Cancellations must be communicated via email or fax to customer service and not to the sales representative. A cancellation penalty will apply. After an order is acknowledged and placed into production, cancellations cannot be accepted.

Packaging

All prices include packaging. Assembled chairs are normally shipped one per carton unless otherwise specified. All of our packaging and cartons meet or exceed ICC specifications.

Freight Terms & Conditions

All product is shipped F.O.B. the Knú, LLC factory, with freight prepaid to the continental U.S. destination (dealer's dock or territorial warehouse) and does not include home delivery. Customers must select a standard delivery location for their orders. Docks at the selected delivery location must be equipped to handle a 53' trailer. When a Knú, LLC customer/dealer warehouse is selected as the default delivery location, it is understood that Knú, LLC pays freight cost to the default delivery location only, and no further. The customer is responsible for all charges from this point. Knú, LLC utilizes freight carriers that are dedicated furniture specialists. For all deliveries, it is understood that Knú, LLC or its agents are making a dock delivery only, and any further work of truck unloading, delivery beyond the dock, installation, and/or removal of packaging is not authorized or paid for by Knú, LLC. Home delivery is not included and must be negotiated prior to order placement. For all deliveries, whether to the customer location or drop shipment, any circumstances that result in the delay of our carrier (including unsuitable receiving facilities, or facilities not open or available), will result in service charges applied at the rate of \$75 per hour. Where re-delivery is necessary because of these circumstances, the full cost of re-delivery will be charged.

International shipments, shipments into Puerto Rico, and shipments into the states of Hawaii and Alaska are freight prepaid to the port of exit. Please call Customer Service for a quote on special packing for overseas container shipments. Knú, LLC reserves the right to implement a fuel surcharge and also reserves the right to select the most appropriate F.O.B. point, carrier, and routing on all shipments. Orders with a NET of \$1,500 or less are subject to a \$100 Shipping and Handling Fee. All Knú, LLC products are carefully inspected and properly packaged by trained personnel before leaving the factory. The transportation company assumes full responsibility for safe delivery upon acceptance of the shipment. All shipments are delivered to the freight company in good condition. If a shipment is received that has visible damage, product shortages or if delivery has been delayed by the freight company the following steps must be taken:

TERMS + CONDITIONS

1. Before signing for the merchandise, make notations of all visible damage and/or shortages on the Bill of Lading. The delivering freight company may not accept responsibility for damage and/or shortages if proper notification of the alleged problem is not given when signing for the merchandise. If visual damage is not apparent, sign the delivery receipt "no visual damage". This will allow recourse for a concealed damage claim. Claims for freight damage, concealed or otherwise, must be filed within ten (10) days of the original delivery date.
2. Do not refuse merchandise damaged in transit. The delivering freight company (not Knú, LLC) is responsible for damage to goods which occur in transit or storage.
3. Failure to make claims against Knú, LLC or its designated carrier within ten (10) days shall constitute acceptance of the merchandise and a waiver of any defects, errors, or shortages discovered upon inspection.
4. If a claim is filed you must retain all shipping cartons and packing material for inspection by the carrier agent.

Storage Policy

Upon written notice, Knú | La-Z-Boy will provide storage, once an order is completed, for up to five (5) calendar days at no charge. Any order requiring storage beyond five (5) calendar days will be subject to a storage fee.

Return Merchandise

No returns of merchandise will be accepted without written authorization from Knú corporate office customer service. Before a return of merchandise is authorized, Knú factory sales representative reserves the right to inspect the furniture in question. Any item(s) that has been approved for return must be returned properly packed and in the original factory carton. All freight charges for returned product are the responsibility of the customer. Unauthorized returns will not be accepted and will be returned to customer freight collect. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason given for the return stated on the authorization form. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of the credit issued.

Customer Satisfaction

Our goal at Knú, LLC is to ensure that our customers are completely satisfied with our products. If a problem arises with Knú Contract | La-Z-Boy Contract Furniture after the warranty period, Knú, LLC will make its best effort to satisfy the customer in a manner that is fair to all concerned.

Important Notes

1. COM orders must contain the fabric supplier name, pattern name, and color name of the pattern you wish to order.
2. Directional covers, such as stripes, patterns, and plaids may not meet your satisfaction due to contoured shapes and tufting on some furniture styles. Should one of these designs be selected, we will do our best to manufacture the furniture to meet your satisfaction. However, such orders are not subject to return.
3. Textiles listed are supplied by the fabric suppliers and not all colors of the textile listed may be available.
4. Once an order for cut yardage is acknowledged, adjustments or cancellations will result in a restocking fee for the purchase price of the fabric.
5. Not all textiles are available in CAL 133.
6. Non-Warranty Service Orders: Please Call Customer Service for Pricing. (812.367.2068/phone)

LIMITED LIFETIME WARRANTY

La-Z-Boy Contract Furniture warrants the products it manufactures against defects in material and workmanship under normal use and service for the expected useful life of the product from the date of shipment. This limited warranty is valid only to the original purchaser using the product for its intended purpose, provided the product is covered in its original cover. This warranty does not apply to expected changes resulting from normal wear and tear, use and aging of the product. Specifically excluded from this limited warranty are defects and damage resulting from abuse, neglect, misuse, or excessive use. Product alteration, substitution of components or materials, improper cleaning or repair, and installation and handling damages are also not covered by this warranty. All other express or implied warranties made by agents, dealers, sales representatives or any other representatives, including any warranty of merchantability or fitness for a particular purpose, are hereby excluded.

There are no representations as to the capacity or performance of the products sold hereunder except as set forth in the price book or quotation specifications, if any, and such representations are expressly conditioned upon the correctness of the data furnished by purchaser and upon the products being properly installed and maintained.

Knú, LLC's sole obligation shall be to repair any defective product or product component covered under this warranty, including shipping and labor, during the warranty period. In no event shall Knú, LLC be liable for any consequential or incidental damages, including lost profits or revenues incurred by the purchaser with respect to any goods furnished by Knú, LLC. Expenses incurred by purchaser in repairing or replacing Knú, LLC's product must be pre-approved in writing by Knú, LLC.

Knú, LLC offers no warranty on the following product components or characteristics: all forms of upholstery, including fabric, vinyl and leather, as well as wood grain, color and texture. Knú, LLC offers no warranty on COM, COL, or any other special order fabric used at the request of the Purchaser. Warranties offered by cover suppliers to Knú, LLC, if any, are hereby assigned to Purchaser.

In the event a product has to be returned to the factory for verification of a defect and/or repair, it must be pre-approved in writing by Knú, LLC, freight pre-paid, and include a copy of the original invoice with the date and name of original purchaser.

Knú, LLC hereby assigns to the original owner any and all warranties offered by its component suppliers. To the extent the terms of these warranties differ from the terms of the Limited Warranty, the terms of the suppliers' component warranties shall apply. However, Knú, LLC does not guarantee that the component supplier will comply with any terms of the warranty of such supplier.

KNÚ, LLC WILL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES INCLUDING ANY LOSS, EXPENSE, OR DAMAGE OTHER THAN TO THE PRODUCT ITSELF THAT MAY RESULT FROM A DEFECT IN THE PRODUCT. SOME STATES DO NOT ALLOW FOR THE EXCLUSION OR LIMITATION OF CONSEQUENTIAL AND INCIDENTAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY.

KNÚ, LLC MAKES NO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THESE AND ALL OTHER IMPLIED WARRANTIES ARE SPECIFICALLY DISCLAIMED. SOME STATES DO NOT ALLOW AN EXCLUSION OR LIMITATION ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY.

THIS WARRANTY GIVES YOU, THE ORIGINAL PURCHASER, SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE. EXCEPT FOR SUCH OTHER RIGHTS, THE REMEDIES PROVIDED UNDER THIS WARRANTY STATE THE LIMIT OF KNÚ, LLC'S RESPONSIBILITIES.

CAL 117 + CAL 133 | UL LISTING | PRODUCT TAKE BACK

CAL 117 | CAL 133

All Knú, LLC standard upholstered seating and the filling materials used in the construction of our seating, either meet or exceed the flammability requirements of Cal 117-2013. Knú, LLC will manufacture its seating when requested by a customer or where required by law to meet or exceed the flammability requirements of California Technical Bulletin 133. CAL TB133 requires actual tests of the complete unit and not just the components as CAL 117-2013 does. CAL TB133 is specific to the fabric, frame, and all filaments.

Knú, LLC recommends the use of a CAL 117-2013 Fabric, Fire Resistant Foam, and a Fire Resistant Barrier for a successful CAL TB133 burn test; however, this alone does not guarantee a product will pass the burn test. The cost of a burn test is \$500 (net) plus the cost of the product, along with the barrier and the fabric. Please allow a minimum of six (6) weeks for the production of the product and the completion of the test. Once the product successfully passes the burn test a certificate will be supplied.

If you do not need actual certification, the product can be upholstered using Fire Resistant Foam and the Fire Resistant Barrier at an upcharge of \$80 List per yard. Use the COM yardage requirements for your upcharge formula. COM yardage requirements are located on the individual product pages. (Please note that your COM fabric selection must pass CAL 117-2013 which will be stated in your fabric specifications.)

When sending in COM to have CAL TB133 added, Knú, LLC will need an additional yardage amount equal to either 5% of the total yardage, or 1 yard, whichever is the greatest. CAL TB133 cannot be added to leather.

CAL TB133 outlines the method and technique to which the furniture should be tested. Beyond that, it leaves classifications of furniture fabric to the discretion of the manufacturer/supplier of the fabric over which Knú, LLC has no control. Knú, LLC has tested a variety of chairs and fabrics with successful test results. Knú, LLC then cross-referenced similar models to see which ones would be applicable; however, this does not constitute a certification of an actual burn test.

The following upholstered frames have passed the CAL TB133 Fire Test for furniture manufactured for public area use. Please contact customer service for pricing and lead times.

UL Listing

All electrical components used in Knú, LLC products are UL listed. A UL listing for an entire Knú, LLC product can be obtained at an additional charge. Please contact customer service for pricing and lead times.

Note: Knú, LLC makes no recommendations or representations regarding whether CAL 133 certification or UL listing is required for the lawful use of Knú, LLC products. It is the sole responsibility of the customer to ascertain and comply with the laws, ordinances, regulations and codes of their particular jurisdiction that apply to their use of Knú, LLC products.

Product Take Back Program

Knú, LLC is proud to offer ANEW to customers dedicated to strengthening their community network by repurposing their furniture, fixtures, and architectural materials to those in need. In 2014, Knú, LLC committed to making this relationship a part of our strategic sales strategy. Visit www.anewfound.org for more information.

To initiate a product take back strategy, contact Customer Service at customerservice@getknu.com.

CERTIFICATIONS + CONTRACTS

Certifications

General Services Administration (GSA)

www.gsa.gov

www.gsaadvantage.gov

GREENGUARD Gold Certification | www.greenguard.org

GREENGUARD Gold Certification (formerly known as GREENGUARD Children & Schools Certification) offers stricter certification criteria, considers safety factors to account for sensitive individuals (such as children and the elderly), and ensures that a product is acceptable for use in environments such as schools and healthcare facilities. It is referenced by both The Collaborative for High Performance Schools (CHPS) and the Leadership in Energy and Environmental Design (LEED) Building Rating System.

level® Certification | www.levelcertified.org

BIFMA's e3 Furniture Sustainability Standard is a voluntary, multi-attribute standard that measures the degree of sustainability of furniture. This standard evaluates product and company environmental attributes and compliance systems in a wide range of elements, including Materials, Energy & Atmosphere, Human & Ecosystem Health, and Social Responsibility.

Healthier Hospitals | A Practice Greenhealth Program) | www.healthierhospitals.org

Healthier Hospitals Initiative encourages manufacturers to provide information on furniture that meets the (HH) goal of Safer Chemicals Challenge. Knú Contract | La-Z-Boy Contract Furniture offers a complete line of healthcare furniture that meets the Healthy Interiors goal of the Safer Chemicals Challenge – creating healthcare seating environments that free from hazardous chemicals.

MB4B Sofa/Sleep Sofa Back	\$150 List
MB4S Sofa/Sleep Sofa Seat	\$150 List
MB5B Sleep Chair Back	\$50 List
MB5SE Sleep Chair Seat and Extensions	\$150 List (per seat)

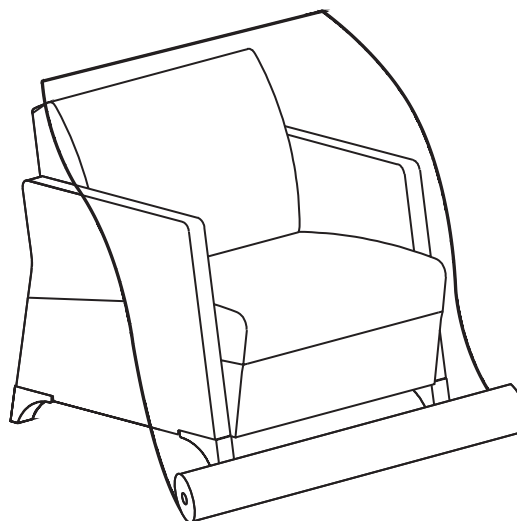

FABRIC REPEATS

The chart below represents a patterned fabric being selected with a repeat. When a multiple repeat is present, the calculation for the yardage needed is determined by adding the vertical and horizontal measurements together and then referring to the chart for the extra yardage required. For example; on a guest chair a 4" vertical repeat and a 5" horizontal repeat requires 18.5% if the pattern is directed across the roll, 23.5% if the pattern is directed up the roll and 28.5% for a 2-Way repeat.

RR Across the Roll Railroaded

UR Up the Roll

Guest/Visitor and Tandem Seating

Repeat (in inches)	Cut Across The Roll (RR)	Cut Up The Roll (UR)	2-Way
1/4" - 3"	Add 7.5%	Add 12.5%	Add 12.5%
3 1/4" - 6"	Add 16.5%	Add 20%	Add 21.5%
6 1/4" - 9"	Add 18.5%	Add 23.5%	Add 28.5%
9 1/4" - 12"	Add 23%	Add 28%	Add 33.5%

COM (Customer's Own Material)

All Knú, LLC seating styles are available in COM. Prices are listed in the column containing the Grade of COM.

Yardage requirements are based on non-directional 54" wide (between selvage edges) fabric.

All fabrics must be backed with an appropriate type backing. Do not send wall coverings or drapery fabrics.

COM material must be shipped from fabric supplier in continuous yardage. Knú, LLC cannot accept individual pieces of the same fabric.

Please complete the COM form and ship form along with the fabric sample for approval prepaid to:

Knú, LLC | DBA / La-Z-Boy Contract Furniture & Knú Contract
ATTN: COM Department
P. O. Box 9, One Best Drive
Ferdinand, IN 47532

Once COM fabric has been approved send COM yardage to:

Knú, LLC | DBA / La-Z-Boy Contract Furniture & Knú Contract
ATTN: COM Department
1300 North Broad Street, Leland, MS 38756

Please send purchase order to:

Knú, LLC | DBA / La-Z-Boy Contract Furniture & Knú Contract
P.O. Box 9, Ferdinand, IN 47532
Fax: 812-367-2493
E-mail: customerservice@getknu.com

Knú, LLC must receive the purchase order prior to receiving the COM yardage. Lead time does not begin until the COM yardage has been received by the COM Department at Leland, MS.

Please attach a sample of your material to the COM form and indicate the direction it is to be applied. Unless otherwise directed, all COM will be applied up the roll with no pattern. Since some fabrics are reversible, please attach the fabric such that the exposed side is facing outward. Knú, LLC does not warrant COM fabrics.

Refer to individual product pages for standard COM yardage requirements. For fabrics with railroads or repeats please refer to the chart on page 15.

When sending in COM to have CAL133 backing added, Knú, LLC will need an additional yardage amount equal to either 5% of the total yardage, or 1 yard, whichever is the greatest.

When COM is accepted, Knú, LLC assumes no responsibility for the appearance, behavior, or durability of the COM. Knú, LLC will inspect all COM fabrics upon receipt at the plant, but will not be held responsible for variations of dye lots, wear, fading, pattern matches, and/or flaws.

COM Form

(Entire form must be filled out.)

Dealer Name:	Fabric Supplier:

SPEC SHEET | GRATZI VISITOR

Standard Product Information

- Standard frame is 16-gauge cold-rolled steel that is robotically welded and digitally checked for superior strength and consistency.
- Steel frames are powder coated for durability
- Arms are black sculptured polypropylene
- Seat foam is high resilience (HR) foam that meets CAL 117-2013 fire standards
- Back foam is high resilience (HR) foam that meets CAL 117-2013 fire standards
- Textiles are hand tailored to the frames
- Units can be ganged together with rigid thermofoil tables
- Guest seats are webbed with high quality webbing stretched at 100% and stapled continuously front and back
- Adjustable Glides
- Seat Clean-Out

RECLINER ORDERING GUIDE | ARM + BACK STYLES

How to Order

The chart below is a guide to use when building the recliner model number for your purchase order. Please select the body style preferred, the model number, and then the features you would like your recliner to have. If features are not desired, please leave space blank. List your textile, finish, and options below the model number. Price is determined by fabric grade choice. Features and options are in addition to the recliner price.

Example Below

HARMONY COLLECTION

LiquiCell® is standard on all La-Z-Boy Contract Furniture healthcare recliner seats.*

* **LiquiCell®** is not available on glider recliners, gliders, room savers, Kure, K-Komfort recliners, or any chaise models.

What is **LiquiCell®**?

LiquiCell® is a medical technology that protects skin tissues from being stretched and torn, thereby optimizing blood flow. This ultra-thin cell contains a liquid that is in constant motion allowing the body to glide or float with an object. This means greater long-term comfort due to lessened body aches, pain and fatigue.

 **LiquiCell®** provides unsurpassed long-term comfort to improve patient quality of life.

 **LiquiCell®** significantly reduces shear and friction.

 **LiquiCell®** is an aid in the process of helping prevent pressure ulcers, thereby shortening long-term medical care and lowering costs.

LiquiCell® is designed to protect skin tissues at elbow, ankle, ischial tuberosity, sacral, and lumbar areas for individuals who spend extended time lying down and/or seated, who are experiencing physical discomfort, and who are at risk for pressure ulcer development.

How Does **LiquiCell®** Work?

When the body comes into contact with an object, the forces of mechanical load (perpendicular and parallel pressures) come into play with regard to comfort and discomfort.

At this contact point, tissue compression takes place between the object and bony prominence (bone) and the on-set of discomfort begins. As tissue is compressed:

- Soft tissues are stretched and sheared (torn)
- The flow of blood is restricted or even stopped
- Nerves are depressed.

The stretching and ultimate tearing of soft tissues brings about discomfort, pain and eventually long term trauma (that of pressure ulcers and tissue ulceration).

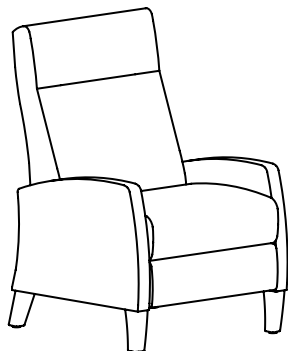

An important function of the circulatory system is to bring good oxygenated blood to the tissues and organs of the body and remove waste and by-products. By restricting blood flow and even stopping it, necrosis (dying of tissue cells) and the on-set of trauma begins.

Nerve depression sends a signal to our brain that tells us to move or shift our body position because we are experiencing discomfort. This leads to increased friction and shear stress occurring at the skin tissue level.

Using a combination of a low viscosity liquid, contained within a very thin and pliable pouch, and strategically placed baffles (seal points) to control the flow of liquid, perpendicular pressure is equalized across the specific point of contact. By equalizing perpendicular pressure, soft tissue shear stress is significantly reduced, blood flow becomes less restrictive and nerve depression is lessened. As movement and/or shifting of the body takes place, the liquid within the ultra-thin cell moves to allow the opposing forces (body and object) to float or glide with one another, thereby significantly reducing friction and shear stress.

RECLINERS | K0107 FEATURES + OPTIONS

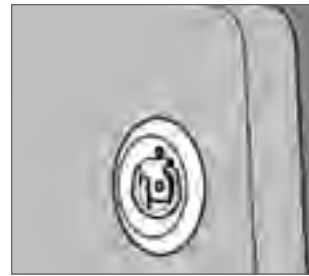

Lock & Steer (S4)

The 2-Caster Lock and Steer (S4) feature is controlled by a three position lever located at the rear of the chair on the left arm facing. Lever controls rear casters only. (Left Side Facing)

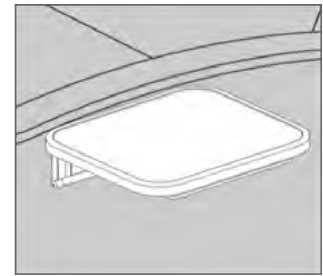

Quick Release Bracket (QR)

The Quick Release Bracket is mounted into metal insert nuts and used with the IV Pole, Side Tray, and Oxygen Tank Holder. (Can be placed on either side)

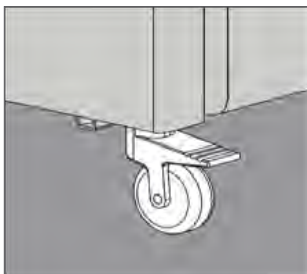

Wrist Restraint (WR)

Located on both sides of the outside arms of medical recliners. Accommodates wrist restraints. Features tamper resistant hardware.

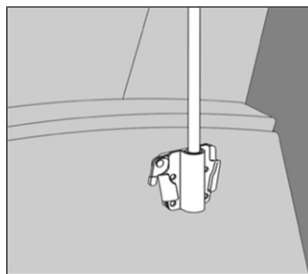

Folding Side Tray (FST)

Folding Side Tray is mounted on the right side (facing). The small FST measures 12" L x 10-5/8" W and the large FST measures 17" L x 10-5/8" W. When tray is in fold down position, it extends 2-1/2" from the chair arm.

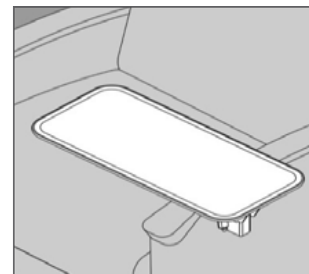

Swivel Locking Casters (SS4)

Recliners are standard with (3) 4" swivel locking casters and (1) 4" rigid locking caster located in the front of the recliner. Optional swivel locking caster can be exchanged for rigid locking caster.

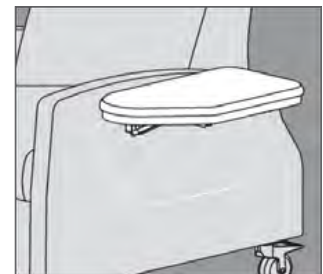

IV Pole and Bracket (IV/DP)

IV pole and bracket are positioned on the recliner arm (right side facing) toward the back of the chair. Dual IV Poles (DP) also available.

Side Tray (TSL1/TSR1)

Side Trays can be mounted to the left, right, or both sides of the chair. Side Tray measures 23" L x 10 5/8" W. When tray is in fold down position, it extends 4" from chair arm. Standard: Opposite of the Handle Side

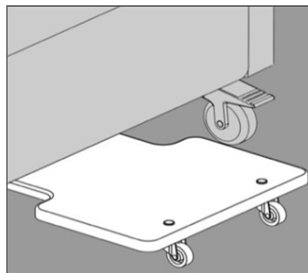

Padded Side Tray (PLFST)

The PLFST is upholstered allowing patients to comfortably rest their arms during treatment. It measures 17" L x 10-5/8" W. When, in fold down position, tray extends 2-1/2" from side of arm. PLFST requires 1 yard of fabric.

Push Bar

Mobile medical recliners feature push bar for ease of movement.

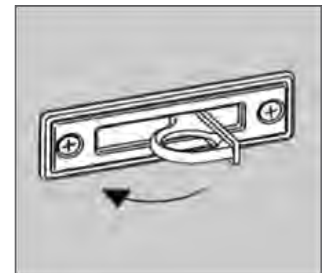

Foot Tray (FTK0107)

Pull out foot tray easily slides out to support patient's feet during transport. (Not intended as a step.)

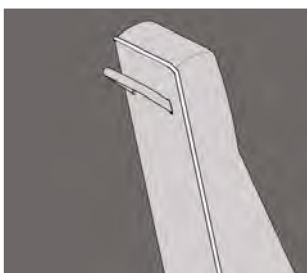

Adjustable Headrest Pillow (AHP)

Adjustable Headrest Pillow gives additional comfort to a patient or visitor. Adjustable Headrest Pillow requires 1 yard of fabric.

Foley Bag Holder (FBH)

Accommodates Foley bags and other drainage bags and closes flush with chair when not in use. Located on opposite arm from the handle toward the front of the chair.

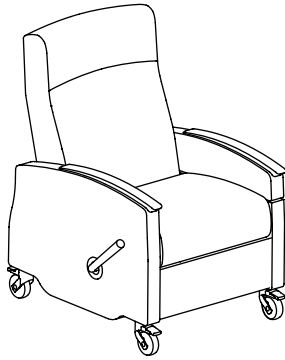

Edge Guard

Mobile medical recliners feature a standard plastic edge guard around the back of the recliner to protect the chair from minor abrasions.

AHP option requires 1 yd of fabric.

Please refer to page 180 for the recliner ordering guide.

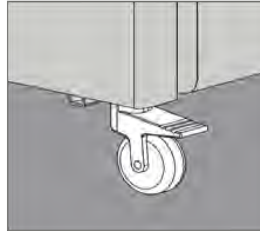

Patient Transfer Arm Fold Down Arm

The Patient Transfer (fold down) Arm is located on the Right Side (facing) of the recliner. Refer to individual product pages for list of available options. When one arm is in down position, add 4" to the overall width of the chair. No hinge cover option on the K0167.

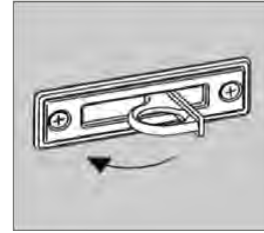

Adjustable Headrest Pillow (AHP)

Adjustable Headrest Pillow gives additional comfort to a patient or visitor. Adjustable Headrest Pillow requires 1 yard of fabric.

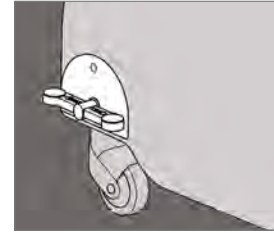

4" Swivel Locking Casters

Select model recliners are standard with three-4" swivel locking casters and one-4" rigid locking caster located in the front of the recliner. Optional swivel locking caster can be exchanged for rigid locking caster.

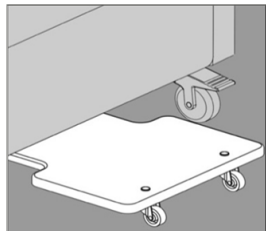

Foley Bag Holder (FBH)

Accommodates Foley bags and other drainage bags and closes flush with chair when not in use. Located on opposite arm from the handle toward the front of the chair.

Lock & Steer (S/Q)

2-Caster Lock & Steer (S4) feature is controlled by a 3 position lever located at the rear of the chair on the left arm facing. Lever controls rear casters only. The Central Caster Lock & Steer (Q4) feature is controlled by a 3 position lever located at the rear of the chair on the left arm facing. Lever controls all casters. (Q4 + Q5) Central Caster Lock & Steer feature is available on select models only. **

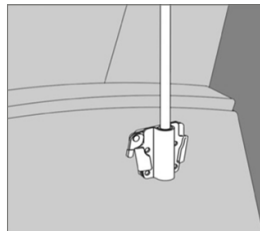

Foot Tray (FT4-1, FT5, FT7000)

Pull out foot tray easily slides out to support patient's feet during transport. (Not intended as a step.)

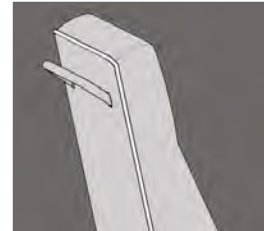

Push Bar

All mobile recliners feature push bar for ease of movement.

IV Pole & Bracket (IV/DP)

IV pole and bracket are positioned on the recliner arm (right side facing) toward the back of the chair. Dual IV Poles (DP) also available.

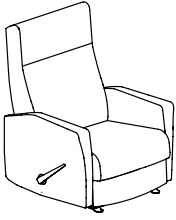

Edge Guard

Mobile medical recliners feature a standard plastic edge guard around the back of the recliner to protect the chair from minor abrasions.

RECLINERS | MOBILE HEALTHCARE FEATURES

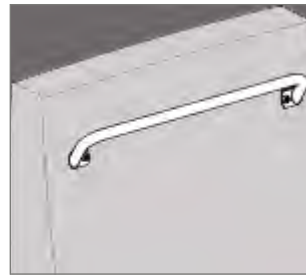

Edge Guard

Mobile medical recliners feature a standard plastic edge guard around the back of the recliner to protect the chair from minor abrasions.

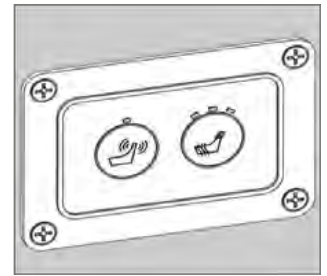

Recliner Handle

Recliners are standard with left side (facing) black handle. Recliner handle assists weakened occupants with footrest elevation. No need to push on back to open recliner footrest.

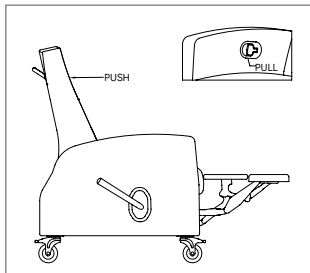

Push Bar

All mobile healthcare recliners feature push bar for ease of movement.

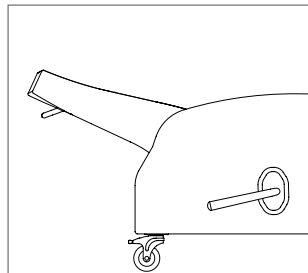

Heat/Heat & Massage Recliners

Heat (H) and Heat & Massage (HM) Control is located on the inside left arm (facing). Heat temperature is 97 Degrees Low to 105 Degrees High.

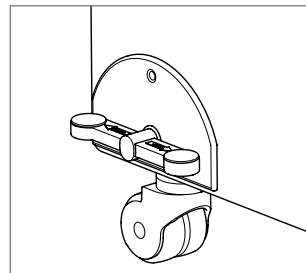

Infinite Position Locking Back Lever

Infinite Position Locking Back lever allows patient/caregivers to lock back in any recline position. Locking Back Lever is located on the inside of the left arm (facing) on select models. Locking Back Lever is located on the outside of the left arm (facing) on Dual Lateral Transfer Arm models.

Infinite Position Non-Locking Back

Patients can adjust seating and back positions to their exact preferences through simple body movement.

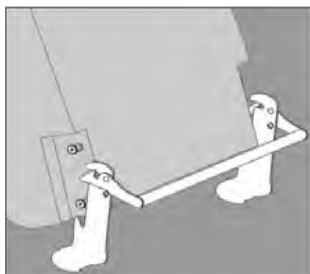

Q3 | 3" Dual Wheel Central Lock & Steer Caster (Non-Directional)**

The Q3 Caster Lock & Steer Feature is controlled by a 2-position lever located at the front of the chair on the left arm facing. Lever controls three casters. Control lever allows you to lock all four casters or make all four casters swivel at the same time. This feature is non-directional and does not aid in steering. Casters are 3" dual wheel.

LiquiCell® is standard on all La-Z-Boy Contract Furniture Healthcare Recliner seats*. For more information, please see page 181.

*Not available on chaise recliners.

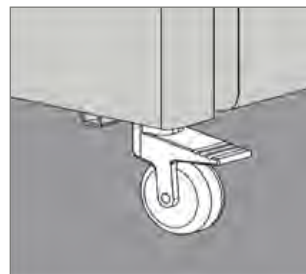

Quick Removable Back

Medical recliners are standard with removable back for easy cleanability for infectious disease control on select models.

Lock & Steer (S/Q)

2-Caster Lock & Steer (S4) feature is controlled by a 3 position lever located at the rear of the chair on the left arm facing. Lever controls rear casters only. The Central Caster Lock & Steer (Q4) feature is controlled by a 3 position lever located at the front of the chair on the left arm facing. Lever controls all casters. (Q4 + Q5) Central Caster Lock & Steer feature is available on select models only. ** Q5 shown in image.

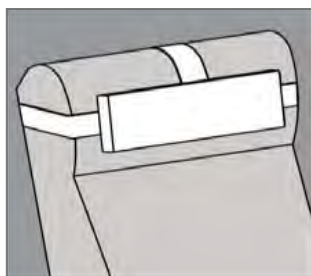

4" Swivel Locking Casters

Select model recliners are standard with three-4" swivel locking casters and one-4" rigid locking caster located in the front of the recliner. Optional swivel locking caster can be exchanged for rigid locking caster.

Not available on the Harmony Recliners

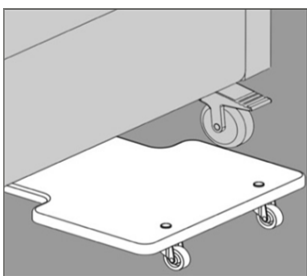

RECLINERS | MOBILE HEALTHCARE OPTIONS

Adjustable Headrest Pillow (AHP)

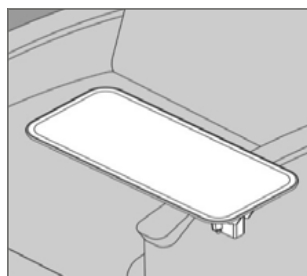

Adjustable Headrest Pillow gives additional comfort to a patient or visitor. Adjustable Headrest Pillow requires 1 yard of fabric.

*Not available on wingback recliners.

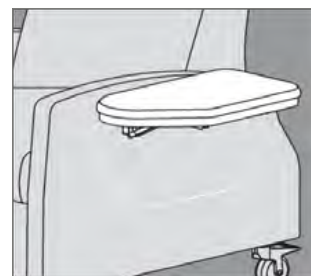

Foot Tray (FT4-1, FT5, FT3000)

Pull out foot tray easily slides out to support patient's feet during transport. (Not intended as a step.)

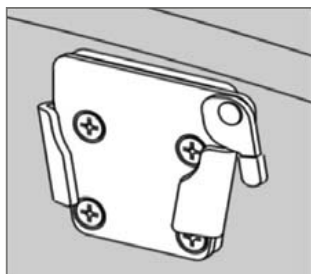

Side Tray (TSL1/TSR1)

Side Trays can be mounted to the left, right, or both sides of the chair. Side Tray measures 23" L x 10 5/8" W. When tray is in fold down position, it extends 4" from chair arm.

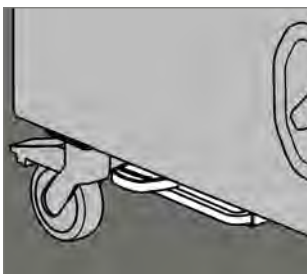

Padded Side Tray (PLFST)

The PLFST is upholstered allowing patients to comfortably rest their arms during treatment. It measures 17" L x 10-5/8" W. When, in fold down position, tray extends 2-1/2" from side of arm. PLFST requires 1 yard of fabric.

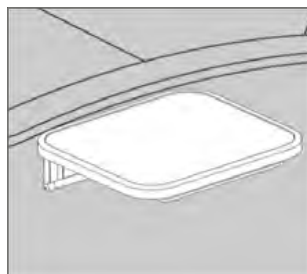

Quick Release Bracket (QR)

The Quick Release Bracket is mounted into metal insert nuts and used with the IV Pole, Side Tray, and Oxygen Tank Holder.

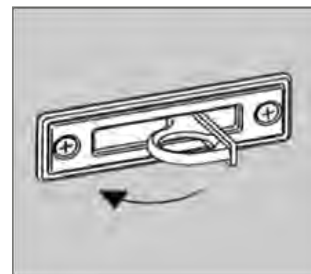

Trendelenburg Option (TE)

Trendelenburg allows an additional 12° pitch. The Trendelenburg lever is conveniently located on both sides of the recliner.

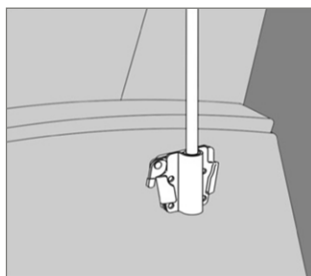

Folding Side Tray (FST)

Folding Side Tray is mounted on the right side (facing). The small FST measures 12" L x 10-5/8" W and the large FST measures 17" L x 10-5/8" W. When tray is in fold down position, it extends 2-1/2" from the chair arm.

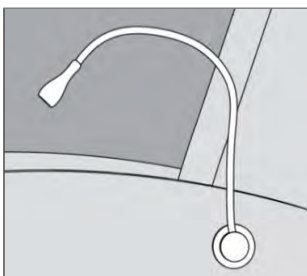

Foley Bag Holder (FBH)

Accommodates Foley bags and other drainage bags and closes flush with chair when not in use. Located on opposite arm from the handle toward the front of the chair.

IV Pole and Bracket (IV/DP)

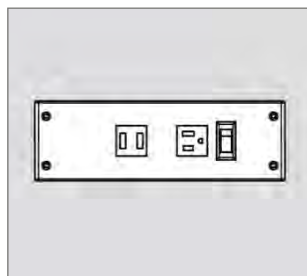

IV pole and bracket are positioned on the recliner arm (right side facing) toward the back of the chair. Dual IV Poles (DP) also available.

LED Reading Light (RL)

LED Reading Light Option is located on the right side facing and can only be used with the PRRF Power option. Power Input: DC5V 0.7A (3W). Features On/Off Switch, Polished Nickel Finish, and Flexible Stem.

*Available on EV and Rêma Models Only

Power (PRRF)

PRRF Power option is located on the right side facing and features a brushed aluminum face plate. One AC Power Outlet and two DC 5v USB Charging Ports, 4.2 AMP Total Output. Rating: AC125V, 60Hz, 15 AMP. Overload protection switch and 11' hospital grade power cord. Built-in power supply for LED Reading Light.

*Available on EV and Rêma Models Only. Use to power laptop or mobile device only. Not intended to power medical equipment.

Wrist Restraint (WR)

Located on both sides of the outside arms of medical recliners. Accommodates wrist restraints. Features tamper resistant hardware.

RECLINERS | ORTHOPEDIC FEATURES

Edge Guard

Mobile medical recliners feature a standard plastic edge guard around the back of the recliner to protect the chair from minor abrasions.

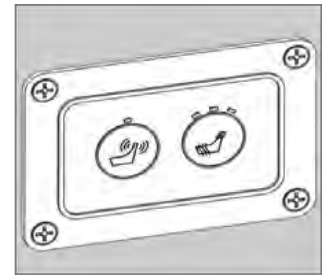

Recliner Handle

Recliners are standard with left side (facing) black handle. Recliner handle assists weakened occupants with footrest elevation. No need to push on back to open recliner footrest.

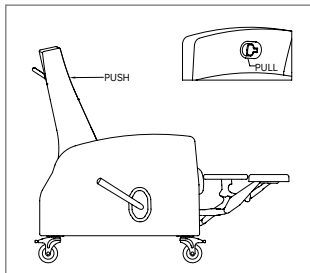

Push Bar

All mobile healthcare recliners feature push bar for ease of movement.

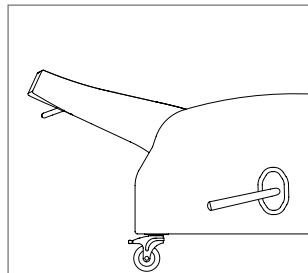

Heat/Heat & Massage Recliners

Heat (H) and Heat & Massage (HM) Control is located on the inside left arm (facing). Heat temperature is 97 Degrees Low to 105 Degrees High.

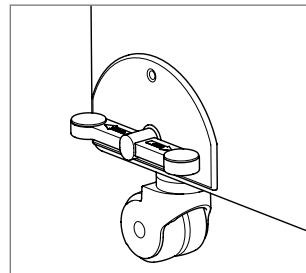

Infinite Position Locking Back Lever

Infinite Position Locking Back lever allows patient/caregivers to lock back in any recline position. Locking Back Lever is located on the inside of the left arm (facing) on select models. Locking Back Lever is located on the outside of the left arm (facing) on Dual Lateral Transfer Arm models.

Infinite Position Non-Locking Back

Patients can adjust seating and back positions to their exact preferences through simple body movement.

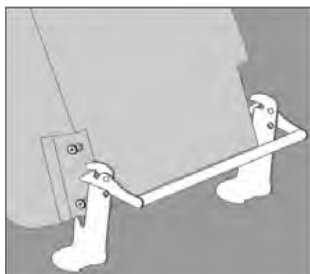

Q3 | 3" Dual Wheel Central Lock & Steer Caster (Non-Directional)**

The Q3 Caster Lock & Steer Feature is controlled by a 2-position lever located at the front of the chair on the left arm facing. Lever controls three casters. Control lever allows you to lock all four casters or make all four casters swivel at the same time. This feature is non-directional and does not aid in steering. Casters are 3" dual wheel.

LiquiCell® is standard on all La-Z-Boy Contract Furniture Healthcare Recliner seats*. For more information, please see page 181.

*Not available on chaise recliners.

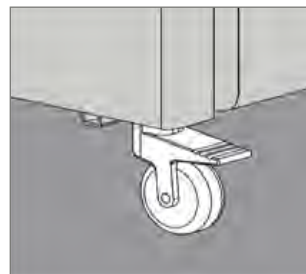

Quick Removable Back

Medical recliners are standard with removable back for easy cleanability for infectious disease control on select models.

Lock & Steer (S/Q)

2-Caster Lock & Steer (S4) feature is controlled by a 3 position lever located at the rear of the chair on the left arm facing. Lever controls rear casters only. The Central Caster Lock & Steer (Q4) feature is controlled by a 3 position lever located at the front of the chair on the left arm facing. Lever controls all casters. (Q4 + Q5) Central Caster Lock & Steer feature is available on select models only. ** Q5 shown in image.

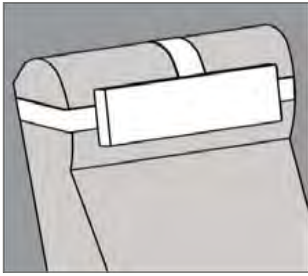

4" Swivel Locking Casters

Select model recliners are standard with three-4" swivel locking casters and one-4" rigid locking caster located in the front of the recliner. Optional swivel locking caster can be exchanged for rigid locking caster.

Not available on the Harmony Recliners

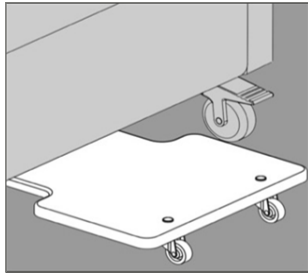

RECLINERS | ORTHOPEDIC OPTIONS

Adjustable Headrest Pillow (AHP)

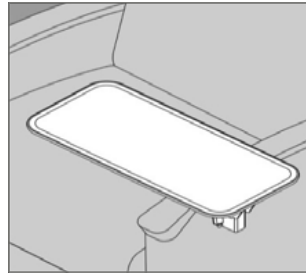

Adjustable Headrest Pillow gives additional comfort to a patient or visitor. Adjustable Headrest Pillow requires 1 yard of fabric.

*Not available on wingback recliners.

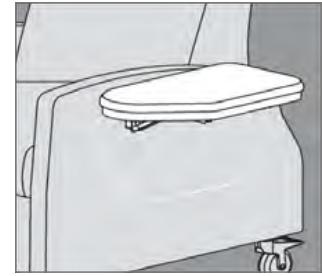

Foot Tray (FT4-1, FT5, FT3000)

Pull out foot tray easily slides out to support patient's feet during transport. (Not intended as a step.)

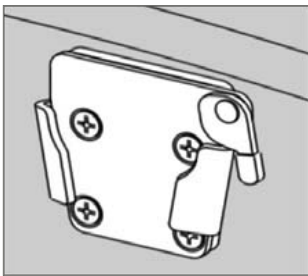

Side Tray (TSL1/TSR1)

Side Trays can be mounted to the left, right, or both sides of the chair. Side Tray measures 23" L x 10 5/8" W. When tray is in fold down position, it extends 4" from chair arm.

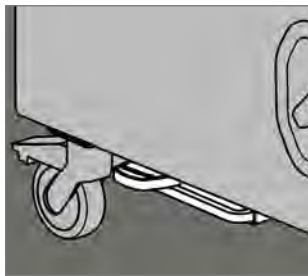

Padded Side Tray (PLFST)

The PLFST is upholstered allowing patients to comfortably rest their arms during treatment. It measures 17" L x 10-5/8" W. When, in fold down position, tray extends 2-1/2" from side of arm. PLFST requires 1 yard of fabric.

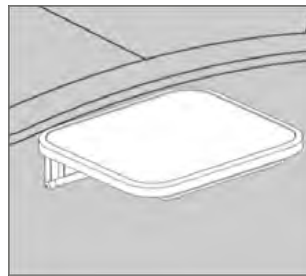

Quick Release Bracket (QR)

The Quick Release Bracket is mounted into metal insert nuts and used with the IV Pole, Side Tray, and Oxygen Tank Holder.

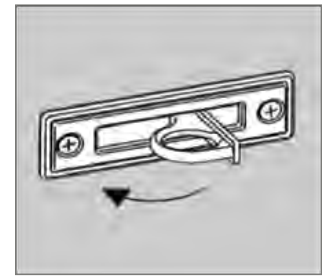

Trendelenburg Option (TE)

Trendelenburg allows an additional 12° pitch. The Trendelenburg lever is conveniently located on both sides of the recliner.

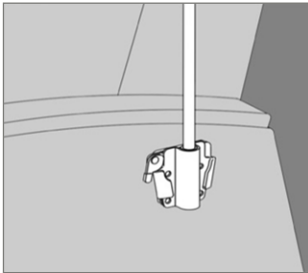

Folding Side Tray (FST)

Folding Side Tray is mounted on the right side (facing). The small FST measures 12" L x 10-5/8" W and the large FST measures 17" L x 10-5/8" W. When tray is in fold down position, it extends 2-1/2" from the chair arm.

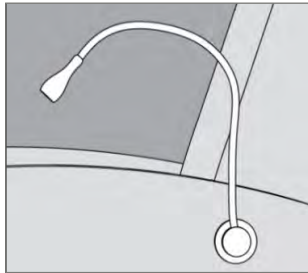

Foley Bag Holder (FBH)

Accommodates Foley bags and other drainage bags and closes flush with chair when not in use. Located on opposite arm from the handle toward the front of the chair.

IV Pole and Bracket (IV/DP)

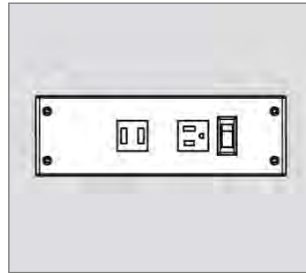

IV pole and bracket are positioned on the recliner arm (right side facing) toward the back of the chair. Dual IV Poles (DP) also available.

LED Reading Light (RL)

LED Reading Light Option is located on the right side facing and can only be used with the PRRF Power option. Power Input: DC5V 0.7A (3W). Features On/Off Switch, Polished Nickel Finish, and Flexible Stem.

*Available on EV and Rêma Models Only

Power (PRRF)

PRRF Power option is located on the right side facing and features a brushed aluminum face plate. One AC Power Outlet and two DC 5v USB Charging Ports, 4.2 AMP Total Output. Rating: AC125V, 60Hz, 15 AMP. Overload protection switch and 11' hospital grade power cord. Built-in power supply for LED Reading Light.

*Available on EV and Rêma Models Only. Use to power laptop or mobile device only. Not intended to power medical equipment.

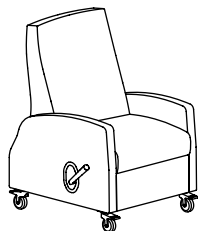

Wrist Restraint (WR)

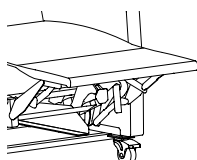

Located on both sides of the outside arms of medical recliners. Accommodates wrist restraints. Features tamper resistant hardware.

RECLINERS | BARIATRIC MOBILE HEALTHCARE FEATURES

Edge Guard

Mobile medical recliners feature a standard plastic edge guard around the back of the recliner to protect the chair from minor abrasions.

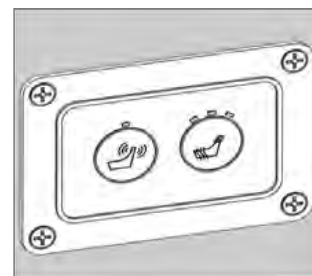

Recliner Handle

Recliners are standard with left side (facing) black handle. Recliner handle assists weakened occupants with footrest elevation. No need to push on back to open recliner footrest.

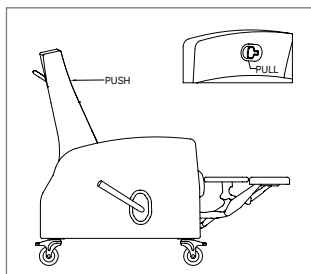

Push Bar

All mobile healthcare recliners feature push bar for ease of movement.

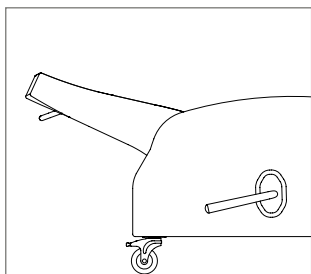

Heat/Heat & Massage Recliners

Heat (H) and Heat & Massage (HM) Control is located on the inside left arm (facing). Heat temperature is 97 Degrees Low to 105 Degrees High.

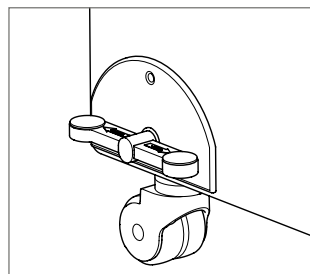

Infinite Position Locking Back Lever

Infinite Position Locking Back lever allows patient/caregivers to lock back in any recline position. Locking Back Lever is located on the inside of the left arm (facing) on select models. Locking Back Lever is located on the outside of the left arm (facing) on Dual Lateral Transfer Arm models.

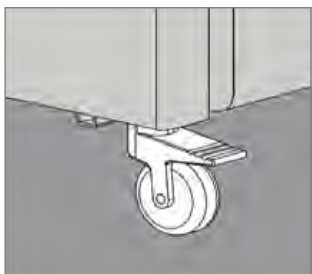

Infinite Position Non-Locking Back

Patients can adjust seating and back positions to their exact preferences through simple body movement.

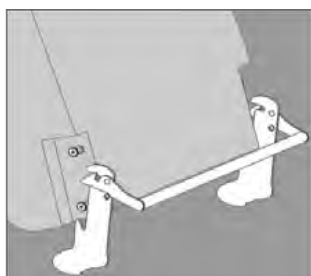

Q3 | 3" Dual Wheel Central Lock & Steer Caster (Non-Directional)**

The Q3 Caster Lock & Steer Feature is controlled by a 2-position lever located at the front of the chair on the left arm facing. Lever controls three casters. Control lever allows you to lock all four casters or make all four casters swivel at the same time. This feature is non-directional and does not aid in steering. Casters are 3" dual wheel.

4" Swivel Locking Casters

Select model recliners are standard with three-4" swivel locking casters and one-4" rigid locking caster located in the front of the recliner. Optional swivel locking caster can be exchanged for rigid locking caster.

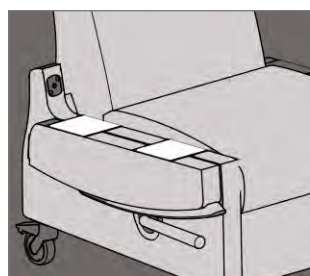

Quick Removable Back

Medical recliners are standard with removable back for easy cleanliness for infectious disease control on select models.

Lock & Steer (S/Q)

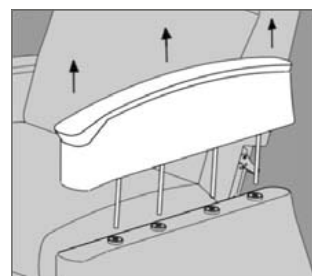

2-Caster Lock & Steer (S4) feature is controlled by a 3 position lever located at the rear of the chair on the left arm facing. Lever controls rear casters only. The Central Caster Lock & Steer (Q4) feature is controlled by a 3 position lever located at the front of the chair on the left arm facing. Lever controls all casters. (Q4 + Q5) Central Caster Lock & Steer feature is available on select models only. ** Q5 shown in image.

Patient Transfer Arm Fold Down Arm

The Patient Transfer (fold down) Arm is located on the Right Side (facing) of the recliner. Dual Patient Transfer Arm models are also available. Refer to individual product pages for list of available options. When one arm is in down position, add 4" to the overall width of the chair. Protective fabric hinge covers are standard on fold down arms.

**Not available on the Harmony Recliners

Patient Transfer Arm Removable Arm

Removable Right Arm (facing) allows for lateral transfer of patient. Refer to individual product pages for list of available options.

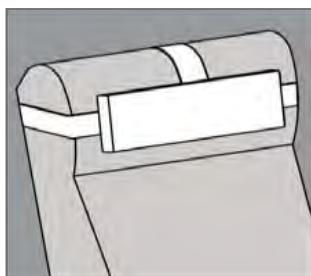

LiquiCell® is standard on all La-Z-Boy Contract Furniture Healthcare Recliner seats*. For more information, please see page 181.

*Not available on chaise recliners.

Not available on the Harmony Recliners

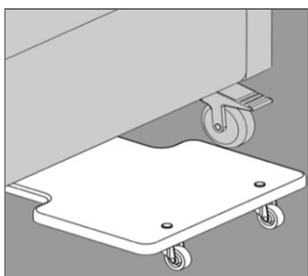

RECLINERS | BARIATRIC MOBILE HEALTHCARE OPTIONS

Adjustable Headrest Pillow (AHP)

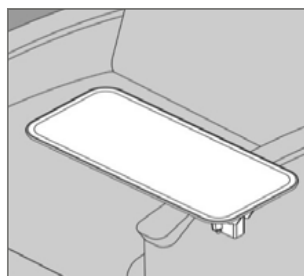

Adjustable Headrest Pillow gives additional comfort to a patient or visitor. Adjustable Headrest Pillow requires 1 yard of fabric.

*Not available on wingback recliners.

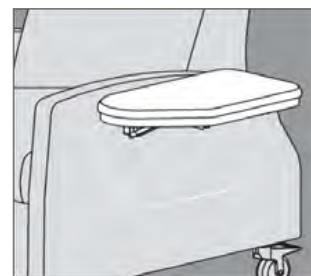

Foot Tray (FT4-1, FT5, FT3000)

Pull out foot tray easily slides out to support patient's feet during transport. (Not intended as a step.)

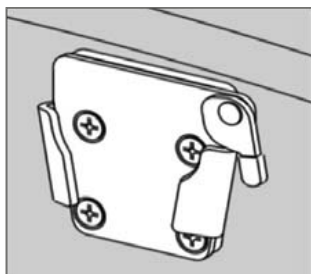

Side Tray (TSL1/TSR1)

Side Trays can be mounted to the left, right, or both sides of the chair. Side Tray measures 23" L x 10 5/8" W. When tray is in fold down position, it extends 4" from chair arm.

Padded Side Tray (PLFST)

The PLFST is upholstered allowing patients to comfortably rest their arms during treatment. It measures 17" L x 10-5/8" W. When, in fold down position, tray extends 2-1/2" from side of arm. PLFST requires 1 yard of fabric.

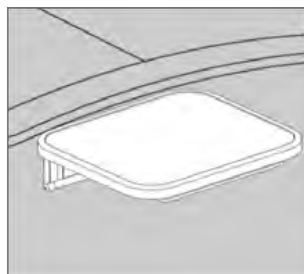

Quick Release Bracket (QR)

The Quick Release Bracket is mounted into metal insert nuts and used with the IV Pole, Side Tray, and Oxygen Tank Holder.

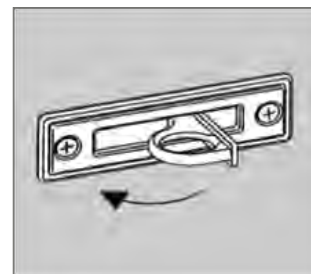

Wrist Restraint (WR)

Located on both sides of the outside arms of medical recliners. Accommodates wrist restraints. Features tamper resistant hardware.

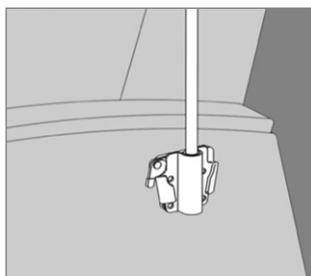

Folding Side Tray (FST)

Folding Side Tray is mounted on the right side (facing). The small FST measures 12" L x 10-5/8" W and the large FST measures 17" L x 10-5/8" W. When tray is in fold down position, it extends 2-1/2" from the chair arm.

Foley Bag Holder (FBH)

Accommodates Foley bags and other drainage bags and closes flush with chair when not in use. Located on opposite arm from the handle toward the front of the chair.

IV Pole and Bracket (IV/DP)

IV pole and bracket are positioned on the recliner arm (right side facing) toward the back of the chair. Dual IV Poles (DP) also available.

RECLINERS | PATIENT TRANSFER ARM FEATURES

Edge Guard

Mobile medical recliners feature a standard plastic edge guard around the back of the recliner to protect the chair from minor abrasions.

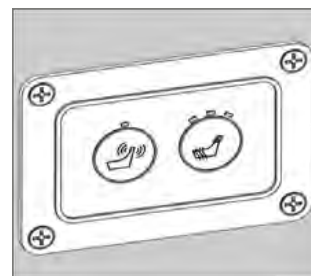

Recliner Handle

Recliners are standard with left side (facing) black handle. Recliner handle assists weakened occupants with footrest elevation. No need to push on back to open recliner footrest.

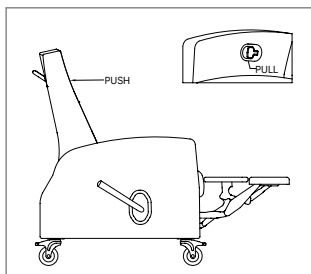

Push Bar

All mobile healthcare recliners feature push bar for ease of movement.

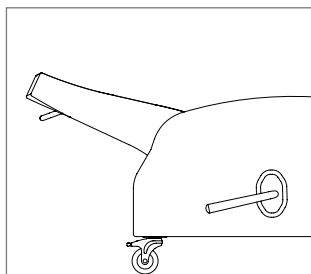

Heat/Heat & Massage Recliners

Heat (H) and Heat & Massage (HM) Control is located on the inside left arm (facing). Heat temperature is 97 Degrees Low to 105 Degrees High. Not available on models ending in '62'.

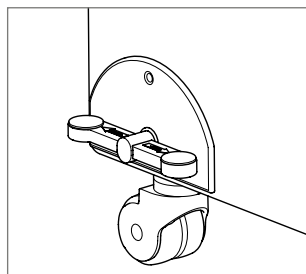

Infinite Position Locking Back Lever

Infinite Position Locking Back lever allows patient/caregivers to lock back in any recline position. Locking Back Lever is located on the inside of the left arm (facing) on select models. Locking Back Lever is located on the outside of the left arm (facing) on Dual Lateral Transfer Arm models.

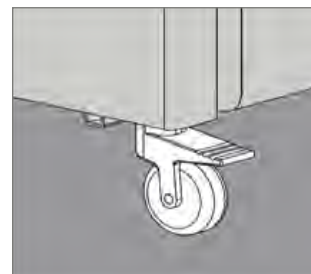

Infinite Position Non-Locking Back

Patients can adjust seating and back positions to their exact preferences through simple body movement.

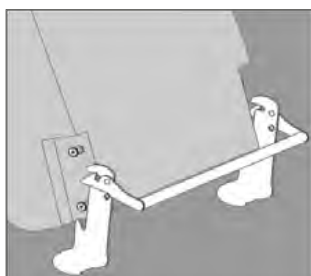

Q3 | 3" Dual Wheel Central Lock & Steer Caster (Non-Directional)**

The Q3 Caster Lock & Steer Feature is controlled by a 2-position lever located at the front of the chair on the left arm facing. Lever controls three casters. Control lever allows you to lock all four casters or make all four casters swivel at the same time. This feature is non-directional and does not aid in steering. Casters are 3" dual wheel.

4" Swivel Locking Casters

Select model recliners are standard with three 4" swivel locking casters and one 4" rigid locking caster located in the front of the recliner. Optional swivel locking caster can be exchanged for rigid locking caster.

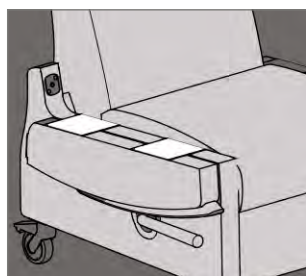

Quick Removable Back

Medical recliners are standard with removable back for easy cleanability for infectious disease control on select models.

Lock & Steer (S/Q)

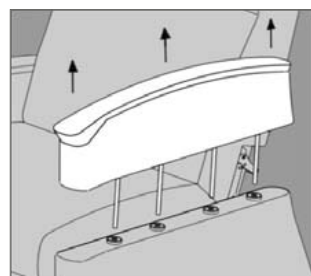

2-Caster Lock & Steer (S4) feature is controlled by a 3 position lever located at the rear of the chair on the left arm facing. Lever controls rear casters only. The Central Caster Lock & Steer (Q4) feature is controlled by a 3 position lever located at the front of the chair on the left arm facing. Lever controls all casters. (Q4 + Q5) Central Caster Lock & Steer feature is available on select models only. ** Q5 shown in image.

Patient Transfer Arm Fold Down Arm

The Patient Transfer (fold down) Arm is located on the Right Side (facing) of the recliner. Dual Patient Transfer Arm models are also available. Refer to individual product pages for list of available options. When one arm is in down position, add 4" to the overall width of the chair. Protective fabric hinge covers are standard on fold down arms.

**Not available on the Harmony Recliners

Patient Transfer Arm Removable Arm

Removable Right Arm (facing) allows for lateral transfer of patient. Refer to individual product pages for list of available options.

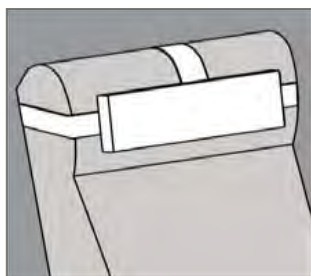

LiquiCell® is standard on all La-Z-Boy Contract Furniture Healthcare Recliner seats*. For more information, please see page 181.

*Not available on chaise recliners.

Not available on the Harmony Recliners

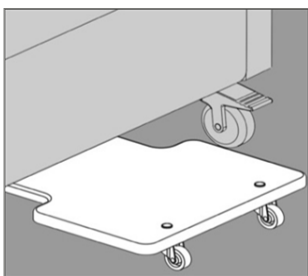

RECLINERS | PATIENT TRANSFER ARM OPTIONS

Adjustable Headrest Pillow (AHP)

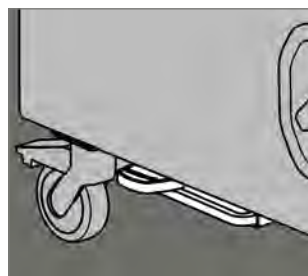

Adjustable Headrest Pillow gives additional comfort to a patient or visitor. Adjustable Headrest Pillow requires 1 yard of fabric.

*Not available on wingback recliners.

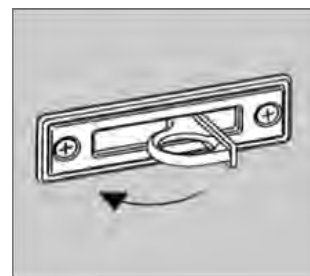

Foot Tray (FT4-1, FT5, FT3000)

Pull out foot tray easily slides out to support patient's feet during transport. (Not intended as a step.)

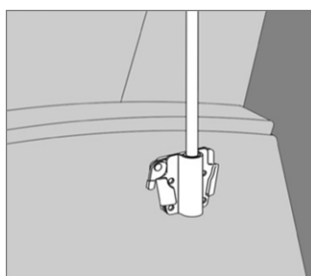

Trendelenburg Option (TE)

Trendelenburg allows an additional 12° pitch. The Trendelenburg lever is conveniently located on both sides of the recliner.

Foley Bag Holder (FBH)

Accommodates Foley bags and other drainage bags and closes flush with chair when not in use. Located on opposite arm from the handle toward the front of the chair.

IV Pole and Bracket (IV)

IV pole and bracket are positioned on the recliner arm (right side facing) toward the back of the chair.

ROCKER RECLINERS | FEATURES

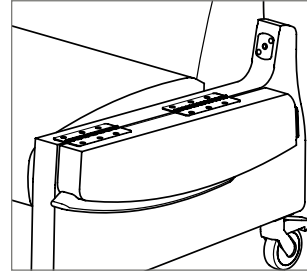

Infinite Position Locking Back Lever (1127 + 4127 Models Only)

Infinite Position Locking Back lever allows patient/caregivers to lock back in any recline position. Locking Back Lever is located on the inside of the left arm (facing) on select models. Locking Back Lever is located on the outside of the left arm (facing) on Dual Lateral Transfer Arm models.

Rocker/Lock Mechanism (1127 + 4127 Models Only)

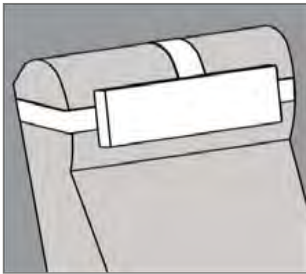

The mobile rocker recliner features a locking mechanism that locks the rocker making it easy on the patient for entering/exiting the chair and also during transport.

Patient Transfer Arm | Fold Down Arm

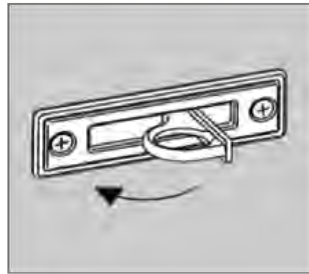

The Patient Transfer (fold down) Arm is located on the Right Side (facing) of the recliner. Refer to individual product pages for list of available options. When arm is in down position, add 4" to the overall width of the chair. Hinge cover is not available on rocker recliners.

ROCKER RECLINERS | OPTIONS

Adjustable Headrest Pillow (AHP)

Adjustable Headrest Pillow gives additional comfort to a patient or visitor. Adjustable Headrest Pillow requires 1 yard of fabric. Available on Mobile Rocker Recliners.

Foley Bag Holder (FBH)

Accommodates Foley bags and other drainage bags and closes flush with chair when not in use. Located on opposite arm from the handle toward the front of the chair.

SOFT LUXE™ COIL CUSHIONS

SEAT CUSHION SYSTEM WITH BOLSA™ COILS

La-Z-Boy Healthcare presents a new addition to the Soft Luxe™ family, a unique design of quality comfort unlike any other furniture cushion fillers. It is constructed of high-density fortified steel springs encased in fabric. This provides a long-last cushion with maximum comfort.

When compared to normal seat foam:

- Up to 21% less seat cushion breakdown with pocketed coil seat cushions over the life of the product.
- Top sides are wrapped with 2.6 (HR) High Resiliency foam.

Engineered for Value

The Bolsa™ coils are specially designed springs which are stress-relieved to improve resiliency and performance and extend furniture life. As a result, this cushion design provides 21-percent less breakdown from use than traditional foam seat cushions.

Durability and Support You Can Feel

Each Bolsa™ coil flexes independently and adjusts instantly to optimize body contouring and support. The barrel-shaped coils offer initial luxurious softness, followed by firmer support that responds to applied weight. The design of our fabric-encased coils works to maintain structural integrity while offering the highest support and comfort available. Pocketed coil cushions are more resilient than foam, providing as much lift force when load is removed as when load is applied.

Only Available on the Following Models:

- EV Series Sleep Chairs: E0700, E0722, E0800
- Rêma Series Sleep Chairs: R1700, R1722, R1800

The R1700, R1800, and R1722 Features Soft Luxe™ Seat Cushion System with Bolsa™ Coils

- 21% less seat cushion breakdown when compared to normal seat foam
- Each Bolsa™ Coil flexes independently and adjusts instantly to optimize body contouring and support.
- The barrel-shaped coils offer luxurious softness and firm support that responds to applied weight.

Note: 48" in front of these units is needed to pull out the seat and the seat extension in order to convert into a sleeper.
