- Variety of Options & Features

**The EV + Rêma Collection** of healthcare recliners are designed with the knowledge that patient comfort is essential but commercial-grade performance is a necessity. We combine premium comfort with functional versatility.

Options such as Trendelenberg, IV poles, foley bag and oxygen tank holders, along with slide-out foot trays ensure your patients will be in good hands.

LED reading lights, heat & massage, power and a variety of folding trays add convenience and comfort.

Lateral patient transfer arms, removeable arms, bariatric models and various seat widths fill out these extensive lines.
