THE LA-Z-BOY DIFFERENCE

Every day, thousands of people experience the comfort and quality of La-Z-Boy Contract Furniture as they sit in a waiting room, receive medical treatment, or rest at a loved one’s bedside.

For over 40 years, we’ve provided quality and comfort where it matters most. Today, we retain our ongoing commitment to quality while incorporating environmental stewardship into our product design and manufacturing processes. In every product produced, sophisticated styling is balanced with optimal functionality.

Our lines of recliners, sleepers, waiting room seating, bariatric furniture, lounge seating, and tables have been expanded for healthcare environments – including specialized products for intensive care and dialysis.

In contrast to many competitors, La-Z-Boy Contract Furniture is made in the USA at a state-of-the-art manufacturing facility. Our products boast craftsmanship, comfort and competitive pricing, for a truly compelling value.

The La-Z-Boy Difference remains an unrivaled combination of healing comfort, modern style, and value for the healthcare environment.
