

BIFMA level® 1 Certification

Environmental Performance Matters

Knú Contract | La-Z-Boy Contract Furniture is now level® 1 certified! BIFMA level® was created to deliver the most open and transparent means of evaluating and communicating the environmental and social impacts of furniture products in the built environment. To put it simply, level® is to commercial furniture as LEED is to buildings. Also like LEED, level® is comprehensive – it addresses criteria across corporate, facility, and product impacts in a way that few other certifications do.
