

Rapid Response

Ready-to-Ship Recliners

Meeting Your Urgent Recliner Needs

La-Z-Boy Healthcare / Knú Contract understands the crucial needs of healthcare facilities during these times. Our Rapid Response program offers our most popular recliner series available to ship in 24-48 hours, standard with the most requested features already built in. Designed from the ground up with cleanability and sanitization in mind, this is an ideal solution to meeting today's needs- faster than ever before.
