

Healthier Hospital (HH)

Encourages manufacturers to provide information on furniture that meets the (HH) goal of the Safer Chemicals Challenge. Additional information regarding the Safer Chemical Challenge may be found at www.healthierhospitals.com

"Furniture described herein meets the Healthy Interiors goal of the Safer Chemicals Challenge. Practice Greenhealth does not verify manufacturer information."

Flame Retardants

All Knú Contract | La-Z-Boy Contract products qualify unless ordered with the TB133 option (which requires use of flame retardants) and select vinyls and polyurethane materials.

Formaldehyde

Knú Contract | La-Z-Boy Contract products are compliant with the low emissions criteria of ANSI/BIFMA Standard Method 7.1-2011 and ANSI/Bifma e3-2012 Furniture Sustainability Standard, Sections 7.6.1 and 7.6.2.

Perfluorinated Compounds (PFCs)

Occasional tables do not contain PFCs. Knú Contract | La-Z-Boy Contract upholstered seating does not contain PFCs unless customers' order these products in upholstery that contains PFCs. Customers select their own upholstery material and are responsible for the content.

Polyvinyl Chloride

All our occasional tables are PVC free. Our upholstered seating is PVC free unless our customers order these products in a vinyl upholstery material.

Anti-Microbial

Our seating and tables do not contain Triclosan or Triclocarban chemicals. All seating is free from antimicrobial chemicals unless a customer selects a fabric or vinyl that contains antimicrobial properties.
